Multicultural Day held on Friday 9th September, was a great success!!

A big Thank You to all those people who helped in organizing this wonderful day, celebrating the many different cultures within our school and community.

Tully State School students are proud to show their appreciation of the many cultures within our school community and it was great to see so many parents come along and enjoy the day together.

From The Principal

Multicultural Day

Multicultural Day held on Friday 9th September, was a great success!! A big Thank You to all those people who helped in organizing this wonderful day, celebrating the many different cultures within our school and community.

Tully State School students are proud to show their appreciation of the many cultures within our school community and it was great to see so many parents come along and enjoy the day together.

On behalf of the staff, I would like to wish you all a happy and safe break. We look forward to seeing you all when school resumes on Tuesday, 4th October.

Jennifer Sloane

Miss Tredwell:
Jaxson Taylor (2B): for a fantastic effort at all times.
Health and Physical Education

Cricket News

Congratulations to Morgan Black for being selected to represent the Peninsula Region at the State Titles for 10-12 yrs cricket on the Sunshine Coast in November. Morgan scored a century at the Peninsula Championships in Tolga last week and was also impressive with his fielding and bowling during the Possibles Vs Probables selection trial last Sunday.

Tully SS will send two boys and two girls teams to the District T20 Blast Carnival at Kim Carroll Fields this Friday. This will be a great way to finish a busy term.

Next term we will play a series of ‘twilight games’ on the top oval on Friday afternoons using pink leather balls, wooden bats and all the associated protective equipment. All interested boys and girls will be encouraged to participate. Look out for permission forms when we get back from holidays.

Term Four Swimming

Information regarding the school’s swimming program will be sent home after the holidays. All classes except Prep B will swim during their normal HPE time. Prep B will swim at 9am on Monday mornings.

This program will begin on Thursday 20th October and continue through to our swimming carnival on Friday 2nd December (each class will have 6 swimming lessons).

Yours in Sport,
C. Cattarossi

NOTES FROM THE MUSIC ROOM

Hello to all!

The 3rd term is in its’ final stages and our students performed at The Multicultural Day on Friday 9th September.

The repertoire included a wonderful Spanish song with Flamenco drumming, a Torres Strait song called Sesere Eeye with dance and percussion and I See Fire by Ed Sheeran, which provided our senior students with the opportunity to shine in solo parts. Your children had to learn and remember quite complex Spanish language, sing harmony parts, drum and dance. This they did with great gusto and respect for culture. There is no doubt about the powerful effects music has on our well-being. It has been a pleasure singing with them.

Thank you to all of the Year 6 students who assisted with the setting up of all the gear needed. You were amazing!

There were many other solo and group performances on Multicultural Day which were a wonderful insight to the many cultures represented here at Tully State School as well as great workshops. Thank you to all involved.

Next term, I will be concentrating on a Junior School singing program on Thursday and Friday mornings before school starts. This will involve singing and movement, chants, raps and the use of percussion instruments. I will be working in line with teachers to compliment the learning that is taking place in the classroom. Hope you all have a wonderful holiday.

Warm regards, Ms Streater.

Emotional Stages of Development within Childhood

As children grow and develop, their emotional needs and abilities change. Four basic stages are:

Development of Trust (0-12 months)
How we respond to a baby’s physical and emotional needs effects their basic sense of trust or mistrust

Sense of Autonomy (1-3 years)
This is a time of self-awareness. Providing opportunities to do things for themselves develops children’s sense of self-reliance and confidence in their own right. The use and understanding of language develops a connection to emotional attachments

Sense of Initiative (3-5 years)
This is a time of willingness to try new things, take risks and develop self-confidence. Social skills are developed by observing others and imitating behaviours. There is a clash of Conscience vs. Fantasy (explains increase in nightmares). Excessive and harsh punishment can lead children to feeling guilty and worthless.

Sense of Industry (6-12 years)
Fantasy subsides – real world understandings are being established. Children are learning a social identity separate from their parents. Opportunities to engage in real tasks they can complete leads to feelings of success and encourages a sense of self-worth and eagerness to learn more. They are putting problem solving and language skills to work. Feeling defeated leads to a sense of inferiority that can discourage future learning.

DAW is held annually to empower people with disability, raise awareness of disability issues and improve access and inclusion throughout the wider community. Given the timing of DAW aligns with the 2016 Paralympic Games in Rio (7–18 September) — and Queenslander’s general love of sport and sporting activities — we’re taking the opportunity to promote DAW’s messages of access and inclusion to the community through Queensland’s far-reaching sporting clubs and organisations.

Students at Tully SS did a fantastic job with their colouring. Now they’re on display on the bulletin board outside of the office.
During September, TSS will be one of 2 organisations in the Cassowary Coast Region to receive a financial donation from the LiveLife Pharmacy Group. Customers at the LiveLife Pharmacy are invited to nominate our school when shopping at the LiveLife Pharmacy in Tully. The organisation with the highest number of nominations will receive the greater proportion of the funding in September. **If you are shopping in LiveLife Pharmacy please nominate Tully State School.**
