READERS CUP
On Wednesday, 26 October two teams of Year 6 students represented Tully State School at the annual Readers Cup Challenge which was held at Silkwood State School.

Our Champion Readers Cup Teams:

6A: Ryan Scarffe, Jade Ketchell, Jack Edwards and Lara Scarffe
6B: Logan Peach, Abbey Walton, Madison Deloryn and Abbigale Klene

Students were required to study five books before the event to prepare for the team quiz, which consisted of 25 questions. In the afternoon students were required to participate in a literary challenge. The challenge this year was for students to write and illustrate a book which followed a theme. At the end of the day, the students presented their finished work and then the overall awards were announced.
The 6B Tully team were the victors of the day, so they very proudly brought the trophy back to school. Both teams worked very well and all the students from across our cluster and beyond had a wonderful time.

Relational Aggression

When friendships become emotionally harmful or manipulative the effects can be devastating for all involved. Relational Aggression is bullying in a discreet manner that is not noticeable like physical aggression, but can still have a long lasting emotional impact.

What can we do to protect our children from being victims or participating in Relational Aggression?

- Involve children in activities outside of school so they are exposed to different types of people
- Encourage relationships with people who appreciate them for who they are
- Listen carefully, don’t downplay the importance of an incident
- Teach kindness and model that behaviour
- Talk and think about both sides of the argument with your child
- If your child is caught in the middle, encourage them to take the high road and support the victim, not be a bystander.
- Become computer savvy
- Set guidelines for computer use and be aware of their online activity.
- If necessary, seek school supports and professional counselling.

For more in-depth information on the above building blocks of preventing relational aggression please contact the Every Family Program on Ph:0488321605  FB everyfamilycassowarycoast
