**What do you want for your child?**

Do you want your child to have the opportunity to participate in high quality well resources education programs?

Do you want your child to have access to current technology and teaching and learning resources?

Do you want your child to have opportunities outside the 4 walls of the classroom?

If the answer is **YES! YES! YES!**, then I would like to highlight the amazing work a very small team of parents do for our students and our school. These parents work tirelessly to ensure that our students – your children - have the very best opportunity to participate in the best programs in a highly resourced environment.

**Who are these champions?**

They are our **P&C**.

**What do they do?**

- Meet once a month on Monday at 3:00 to discuss ways to do the above. This meeting is open and relaxed. Members feel comfortable to make suggestions and ask questions.
- Plan and carry out a range of fund raising and ‘just for fun’ activities.
- Work closely with the school to ensure the support given aligns with the school’s plans.

**Can you help? Are you keen to get the best education for your child?**

Then come along on Monday afternoon to our P&C meeting. Let us know how you can help. Can’t make it to the meeting? Contact the school and we will put you in touch with this special team.

I am looking forward to working alongside you in 2014. See you there.

KABAR BAIK
Hello Tully! My name is Sue Foley the Indonesian teacher at Tully State School. The students call me Ibu Guru. I am excited about the upcoming year of teaching and learning. I spent 3 weeks of my Christmas holidays at the Indonesia Australia Language Foundation (IALF) in Denpasar Bali. Check out the link to see me posing next to another Australian teacher Hannah. I am the one in the orange shirt. I was one of 22 lucky recipients of an Endeavour Language Teaching Fellowship 2014 (ELTF) from the Federal Government to go to Bali. We went to language school 6 days a week and stayed with a Balinese family. The staff at the language school were very professional and I really enjoyed the homestay experience as well as the shopping. There was homework too!
I have brought back a lot of new ideas, some of which we have started to work on.

Term 1
Year 6: Use shadow puppets to give a speech about themselves.
Perform shadow puppet play on parade (1 volunteer group)
Start to learn Papua New Guinea dance “Sajojo”

Year 7: Write an advertisement to sell a house.
Start to learn the kecak dance.

Until next time

Hi everyone,
I would like to offer a couple of thoughts about Discipline and Behaviour from Dr Frances Page Glascoe, PhD, Educational Specialist at Vanderbilt University, Department of Pediatrics.

Discipline is not mostly punishment, it is learning new behaviours. Children often use the same behaviour over and over because they don’t know another way to behave or because they don’t know how to ask for what they really want or how to express what is bothering them. So, one of the main goals of discipline is to teach children a better way to behave and communicate. Doing this also helps prevent misbehaviour.
The single, most important part of discipline is to catch your child being good and let him/her know how proud and pleased you are of their efforts. Praise often, it motivates your child to want to behave well and to see your approval.

Some food for thought!
Regards, Lilian (Guidance Officer)

Some poems from 2A

Five Big Grey Sharks by Xavier Renfrey
Five big grey sharks in the deep blue sea,
Grumpy and ugly as sharks can be
Jumping and swimming with their fins
See which shark swims and wins
Five big grey sharks came swimming by
Looking at the big big ugly sky
Scared that they would get washed far far away
The five ugly sharks did not stay.

Five White Kittens— By- Zoe Waters
Five white kittens in a pretty house,
Searching and seeking for a mouse.
Jumping and poncing with four white feet,
Climbing slowly up the soft grey seat.
As I watched them both scampering around,
A big fat greedy grey mouse they had found
As they held it down, it wanted to play
They had so much fun; they said “won’t you stay”

One Little Horse— By- Alicia Spearman
One little horse in a big green car,
Hairy and fluffy just like his Pa.
Smiling and waving as he drove by,
And two little girls flew past like a fly.
As he drove slowly they could hear him say,
I like to go driving on my birthday.
So the two girls gave him a gift,
Because the kind horse gave them a lift.

Hello from 6A
The year 6 students have had an awesome time on School Camp to the Lake Tinaroo Active Recreation Centre along with the year 7’s. We enjoyed a whole gamete of awesome activities focused on team building and developing leadership skills. We participated in orienteering and developed compass skills, low ropes building trust and confidence in each other, canoeing, stand up paddle boarding and kite building. The students had a ball. They were great and we all had the opportunity to strengthen friendships. Thanks to everyone for making our school camp a success and a special thank you to the parents who accompanied us to make our camp possible.
