MULTICULTURAL DAY 2017

What a fantastic day it was!! Our annual Multicultural Day truly showcases the diverse cultures that make up the Tully State School Community. It is a great opportunity to highlight and to share our different heritage, traditions and of course, cultures. Thank you to all of our stall holders, singers, dancers and musicians for your displays. And thank you to all of our wonderful students, staff and families who came together to enjoy Multicultural Day 2017!

Attendance

TSS Term 3 attendance has lifted to 92.8% from the Term 2 of 90.3%. Well done TSS. Although that is a slight improvement, we know that TSS as a whole, can really go up to another level. Just a quick reminder that every student that finishes the term with a 100% attendance, will receive a free NRL Rugby League ball.

Plants: If you are wishing to donate plants for the plant stall at the Spring Fair, now is the time to get potting.

From the P&C:

Father’s Day Stall - tomorrow, Friday 1 September during the first session. Classes have been allocated times to attend the stall. All gifts will be from $2-$10 so let the children spoil Dad this weekend with a gift that they have chosen themselves.

Spring Fair Preparations are well and truly underway. We will also be having Wonderfair to provide fun rides for the students (see ad above). More info to come.

Next Meeting—Tuesday 12 September 2017 at 4.30pm at the Cyclone Shelter Classroom. All parents and caregivers are welcome to come and have your input.

Breakfast Club:

Utilising my role as School Chaplain, I am now serving breakfast on Monday and Tuesday mornings from the Tuckshop. Students are encouraged to eat a healthy breakfast, but this isn’t always possible or some might need a little bit extra after an early start. Breakfast Club is paid for by donations from local people, so if you would like to contribute, please leave a message for me at the school.

Kind regards, Chappy Liz

FURTHER FROM THE PRINCIPAL:

As Term 3 winds down, there will be a couple of staff changes occurring within our school. I will be taking long service leave during Week 9 and 10 of Term 3 and Week 1 and 2 of Term 4. During my absence, Sandra Clarris will be the Acting Principal.

Our long serving Teacher Aide Lea Quagliata is retiring at the end of Term 3. Lea will be greatly missed by everyone however we wish her all the very best in the next chapter of her life.

Cassandra Ketchell will also be joining the SEP team in Term 4.

Finally stay safe during the holidays especially as the weather heats up and water fun begins.

Jennifer Sloane

WATER SAFETY TALK

Last week the students were privileged to have Surf Life Saving Australia representatives come to visit and talk about water safety.
Term 4 will see TSS take part in the annual Billy Slater Carnival in Innisfail. To begin preparation, training has commenced to ready our students for the Carnival and will continue on the following dates: Monday 4th September and Monday 9th of October. Training times will be 3:15pm-4:15pm on the top oval.

Brooke, Sasha & Hayley recently represented Peninsula in Touch Football in Ipswich. Although they only won 2 out of 11 games, it was a great experience to further their skills.

Why Yelling Doesn’t Work
Your child sees you lose control and learns that by pushing the right buttons, they can make things happen. Once you start using yelling as a behavioural management tool, you teach your child everything they need to know about pushing your buttons and gaining power over you.

Your child starts using both emotionally and cognitively. As soon as the yelling starts, they learn to stop listening. During an argument, children will stop paying attention, reject what they’re hearing, or start yelling back. When people yell, usually they aren’t feeling anything but anger, agitation or frustration.
