Prep Open Morning
What a fantastic morning! Our 2014 prep students participated in a range of fun activities. Mums and Dads came and had a good look around. Our 2014 Prep teachers – Ms Sandra Loriaux and Ms Kaitlyn Woulfe-King (Ms W) were introduced on the morning.

2014 looks very positive for our Prep classes. At this stage it looks as though we will have two Prep classes. If you know of any families that have not let us know they have a child in Prep coming next year please get them to contact us as soon as possible.

Pupil Free Day on Monday
Just a reminder that Monday is a Pupil Free Day. Children are not to come to school. Staff will participate in Professional Development.

Spring Fair
Not long to go now! Our members of the P&C have been very busy as have the students in practicing for their concert acts. It should be a fabulous time. Looking forward to seeing you there!

If you have time and would like to help out please call the school.

Eco Challenge:
Five year 6 students of Tully State School attended an Eco Challenge at Kurrimine Beach on the last Wednesday of term 3 (along with other students from schools in the Tully District). They were accompanied by two teacher aides and were briefly taught about marine biology. They also participated in a beach clean up. Their favourite part of the day was being given time to explore a rock area in the shallow water; they were to find and examine different marine creatures and objects, they then had to place them back in the rock area. On a whole it was an enjoyable and relaxed learning experience.

Tully State School acknowledges the Gulnay People - the Traditional Custodians of the land in which this school is located and pays respect to their Elders past and present. We acknowledge the sacredness of the land on which our school stands.

Health and Physical Education

Swimming (Lessons begin in week four)

Your child will bring home a swimming note this week. It is important that the permission form at the bottom is completed and returned to the class teacher by Friday 25th October. The $3 entrance fee will also be handed to the class teacher on swimming days.

If you have a child in years Prep to 3 and you are willing to get into the water and can spare the time, we would very much appreciate your assistance with lessons to maximise safety and efficiency. Please indicate this on the form if you would like to help your child's class.

Ulysses Cluster Sports Awards

All of the students who have represented the Tully District this year have received an invitation to the cluster awards evening on Thursday 7th November. The RSVP is due this Friday 18th and must include the number of family members attending as well.

These are the TSS representative sports people who will be honoured at the awards night:
