BUS TRANSPORT INFORMATION

Dear Parents

At various times of the year we experience flooding in our local area. It is very important that parents are aware of the procedures that will be followed at this school for students travelling on school bus.

In the event that your child's bus may need to collect students before 3pm it is vital that we have your up to date information. Every endeavour will be made to contact you.

Tully State School Bus Emergency Procedures

- Bus companies will advise school of early departure, allowing 1 hour notice where possible.
- Tully State School Staff will contact parents to get permission for their child to leave school (Davidson Road Bus – Barry Barnes will contact his parents directly and advise school)
- A list of students with permission to leave school will be given to the bus drivers and a bus roll will be marked as students access the bus.
- Any student who does not have parent permission will stay at school. School staff will endeavour to contact those parents through the remainder of the day.

We ask that you complete the slip below and return to school to assist us. The safety of your child is our priority.

Please advise the days your child will be on the bus and notify the school if this changes.

If you have any further question regarding our procedures, please contact the school office.
